1. ACADEMIC DEGREES

- Bachelor in Business Economics. University of Zaragoza, 1980-1985.
- Degree Thesis, May 1986. University of Zaragoza.
- Master of Science in Agro-Food Marketing. Centre International des Hautes Etudes Agronomiques Mediterraneennes (CIHEAM), Zaragoza, November 1990.
- PhD in Economics. University of Zaragoza, November 1991. Title of The PhD: *Predicción a corto y medio plazo de los precios de los cereales en España (Short- and Long-Term Forecast of Cereals Prices in Spain)*.

Social skills and competences

- Experience of working on and leading multi-disciplinary projects (involving one or more geographically separated teams) dealing with agricultural marketing, consumer behaviour, food industry, policy analysis and price transmission in agricultural markets
- Experience of working on pan-European research projects on price analysis, food demand and consumer behaviour.
- Supervisor of a large number of PhD and MSc theses
- Ability to communicate results to both academic and non academic audiences

Organisational skills and competences

- Ability to coordinate research groups
- Ability to manage European and national projects

Technical skills and competences

- Ability to write reports to a wider audience
- Good knowledge on econometrics and quantitative methods applied to agricultural markets
- Good knowledge of food chains in Spain
- Specific knowledge on cereals, meat and wine markets
- Ability to write academic papers. More than 120 papers published in peer review journals.
- Reviewer of the most outstanding journals in the field of agricultural economics

2. Working Experience

- Research Assistant at the Department of Agricultural Economics and Sociology, Agricultural Research Service; Government of Aragon. Zaragoza. August 1985 - December 1986.
- Coordinator of the Course on Marketing of Agricultural and Food products at Mediterranean Agronomic Institute. Zaragoza. January 1987 - March 1989.
- Researcher at the Department of Agricultural Economics and Sociology, Agricultural Research Service; Government of Aragon. Zaragoza. April 1989 - August 2002.
- Part-time lecturer (6 hours per week.) at Faculty of Economics. University of Zaragoza. Academic years 1992/93 – 2001/02.
- Associated Professor at Department of Agro-food Engineering and Biotechnology. Technical University of Catalonia. September 2002 – October 2005.
- Professor at Department of Agro-food Engineering and Biotechnology. Technical University of Catalonia. November 2005 - Nowadays.
- Director, Centre for Research in Agro-food and Development Economics-UPC-IRTA (CREDA). December 2005 – Nowadays.

3. Teaching Activity

3.1. Topics.

3.1.1. Undergraduate.

Faculty of Economics

University of Zaragoza

1992-97	Econometrics (Old Plan)
1997-98, 2001-02	Introduction to Econometrics
1998-2002	Econometrics I
	Econometrics II

School of Agriculture

Technical University of Catalonia

2002-03	Economics
	Agricultural Markets
2003-07	Economics
2007-11	Agriculture and Society
2009-10	Agriculture Valuation
2010-16	Agricultural markets (Old Plan)
	Analysis of Agricultural Markets (New Plan)

3.1.2. Graduate Courses.

Faculty of Economics

Public University of Navarra

1992-93 Advanced Econometrics.

Faculty of Economics

University of Zaragoza

1993-94 Multivariate Analysis of Time Series.

1994-99 Econometrics with Non-Stationary Series

Department of Agro-food Engineering and Biotechnology

Technical University of Catalonia

2004-06 Agro-food System and Sustainable Development.
Market research and Consumer Behaviour.
Industrial Organization and Strategic Management.

2008-09 Economics of Agricultural Markets

2006-16 Agro-food System and Sustainable Development.
Management of Aquaculture Firms

2014-16 Time Series Econometrics
Valuation method in Agro-food Economics

Institute of Sustainability

Technical University of Catalonia

2011-16 Environmental and Ecological Economics

3.2. PhD Thesis supervisor

- a) Supervisor: “The Role of Economic Factors in Obesity Prevalence and Diet Quality in Spain”, made by Amr Radwan. University of Barcelona, September, 2014.
- b) Co-supervisor (with Montserrat-Costa-Font, CREDA): “Consumer Preference Heterogeneity Towards Extra Virgin Olive Oil: Hypothetical and Non-hypothetical Choice Experiments”, made by Ahmed Yangui. Technical University of Catalonia, May, 2014.
- c) Co-supervisor (with Montserrat-Costa-Font, CREDA): “Determinant factors of organic food consumption”, made by Jessica Avitia. Technical University of Catalonia, July, 2012.
- d) Co-supervisor: (with Monia Ben Kaabia, University of Zaragoza). “Transmisión vertical de precios: una aplicación al sector avícola español” (Vertical price transmission in the Spanish poultry sector) made by Rodrigo Romo, Technical University of Catalonia., June 2010.
- e) Co-supervisor (with Rodolfo M. Nayga, University of Arkansas): “The Use of Incentive Compatible Experiments to Value Differentiated Food Products: Some Theoretical and Empirical Evidences from Single- and Multi-Unit Auctions”, made by Faiçal Akaichi. Technical University of Catalonia., December 2010.
- f) Supervisor: “Consumer Acceptance, Choice and Attitudes towards Genetically Modified (GM) Food”, made by Montserrat Costa-Font, Technical University of Catalonia. April, 2009.
- g) Co-supervisor (with Teresa Serra, CREDA-UPC-IRTA, and Spiro Stefanou, Pennsylvania State University): “Eficiency, Policy Reform and Investment in Spanish Agriculture”, made by Fatima Lambarraa, Technical University of Catalonia. June 2009.
- h) Supervisor: “Rentabilidad económica de las decisiones de almacenamiento frigorífico en manzanas y peras en Argentina”, (Economic Profitability of Apples and Pears Storage Decisions in Argentina) made by Mario Leskovar, University of Lérida. June 2006.
- i) Supervisor: “Análisis del posicionamiento de la marca genérica Ternasco de Aragón con Indicación Geográfica Protegida, desde el punto de vista del consumidor”, (Analysis of the Market Competitiveness of the Geographical Indication “Ternasco de Aragón” from the consumer point of view) made by Ricardo Ulloa, University of Zaragoza, September 2005.
- j) Supervisor: “Calidad nutricional y demanda de alimentos en España: un enfoque con datos de panel” (Nutrient intake and food demand in Spain: a methodological approach based on panel data) made by Boubaker Dhehibi. University of Zaragoza, April 2002.
- k) Supervisor: “Valoración de los Productos de la Agricultura Ecológica. Una Aproximación desde la Economía Experimental” (Valuing Organic Food: an

Experimental Economics Approach), made by Francisco Soler. Autonomous University of Madrid, April 2002.

- l) Co-supervisor (with Monia Ben Kaabia, University of Zaragoza) "Macroeconomía y Sector Agroalimentario en Túnez", (Macroeconomics and the Food Sector in Tunisia) made by Housseem E. Chebbi. University of Zaragoza, May 2002.
- m) Co-supervisor (with Isidro Sierra, faculty of Veterinary, University of Zaragoza): "Modelización, simulación y eficiencia en explotaciones ovinas de aptitud cárnica" (Modelling, simulations and efficiency of lamb farms), made by Patricio Pérez. University of Zaragoza, July 2000.
- n) Supervisor: "Unnuevo enfoque sobre el análisis del consumo de alimentos en España: incidencia de los gastos nulos e impacto de la creciente preocupación por la salud", (A new approach to analyse food demand in Spain: the incidence of zero expenditure and the increasing health concerns) made by Ana M. Angulo Garijo. University of Zaragoza, July 1999.
- o) Supervisor: "Integración espacial de mercados agrarios: una propuesta metodológica aplicada a los sectores porcino y ovino de la UE" (Spatial market Integration of agricultural markets: a methodological approach applied to UE pork and lamb markets) made by Ana I. Sanjuán López. University of Zaragoza, July 1998
- p) Supervisor "Relaciones dinámicas entre la política macroeconómica y el sector agroalimentario español: identificación a corto y largo plazo" (Dynamic relationships between macroeconomics and agriculture in Spain: short- and long-term Identification) made by Monia Ben Kaabia. University of Zaragoza, December 1998

4. Research Activity

4.1. Projects from Competitive Calls

1. Researcher: “Strengthening European Food Chain Sustainability by Quality and Procurement Policy” (STRENGTH2FOOD), (#), financed UE H2020, 2016-2021.
2. Researcher: “Resource efficient food and drink for the entire supply chain” (REFRESH), (#641933), financed by UE H2020, 2015-2019.
3. Researcher: “Adapting the feed, the animal and the feeding techniques to improve the efficiency and sustainability of monogastric livestock production systems” (Feed-a-gene), (#633531), financed by UE H2020, 2015-2020.
4. Researcher: “Diversity of local local pig breeds and production systems for high quality traditional products and sustainable pork chains” (TREASURE) (#634476), financed by UE H2020, 2015-2019.
5. Researcher: “implementing sustainable diets in Europe” (SUSDIET), financed by ERANET CALL SUSFOOD, 2014-17.
6. Resarcher: “La Eficiencia medioambiental de la Agricultura Española”, (RTA2012-00002), (Environmental efficiency of the Spanish Agriculture), financed by the National Institute for Agricultural and food Research and technology (INIA), 2013-16.
7. Coordinator: “Las preferencias sociales, consumo de alimentos, calidad de la dieta y obesidad en España: Implicaciones para la política agrícola y alimentaria” (AGL2010-18781) (Social preferences, food demand, diet quality and obesity in Spain), financed by the Ministry of Education 2010-14.
8. Researcher: “Study on Education and Information Activities on Animal welfare (EDUCAWEL)”, financed by the European Commission (SANCO/2012/11138), 2013-14
9. Researcher: “Evaluation of the EU legislation on organic farming”, (tender AGRI-2012-Eval-02), financed by DG Agriculture, EU, 2012-13.
10. Researcher: “Transparency of Food prices” (TRANSFOP), financed by the EU FP7, 2011-2013.
11. Co-coordinator (with Mohamed ABd El-Whab Abonahoul, University of Assiut, Egypt): “Principal determinants of the adoption of organic agricultura in Egypt“ (A/028565/09), financed by AECID, 2010-11.
12. Researcher: “Transmisión de precios entre los mercados energéticos y de alimentos: el efecto de los biocombustibles”, (RTA2009-00013) (Price transmission between food and energy prices), financed by INIA, 2009-12.

13. Researcher: "Study on the improved methods for animal-friendly production, in particular on alternatives to the castration of pigs and on alternatives to the dehorning of cattle" ("ALCASDE"), financed by the EU DG SANCO (SANCO/D5/2008/SI2.517191), 2009.
14. Researcher: "Réseau d'experimentation, d'échange et de transfert pour le développement de l'agriculture biologique en productions végétales à destination des agriculteurs catalans", financed by the EU (INTERREG). (Objectif 3 de cooperation territoriale Espagne – France – Andorre) (EFA 10/08), 2009-2011.
15. Co-coordinator (with Gamal Mohamed Siam, University of Cairo, Egypt): "Efectos de la Gripe Aviaria Sobre la Demanda de Carnes en Egipto (The Effects of Avian Influenza on Meat Demand in Egypt), A/010055/07, financed by The Spanish Agency for International Cooperation and Development (AECID), 2008.
16. Researcher: "Los efectos de las medidas de Desacoplamiento de la PAC sobre las decisiones de producción" (AGL2006-00949/AGR) (Effects of CAP decoupling on farmers' production decisions), financed by the Ministry of Education, 2006-09.
17. Coordinator: "Factores Determinantes y Potencial de Desarrollo del Mercado de productos ecológicos", (Main factors affecting market potential for organic food), financed by INIA, 2006-09.
18. Researcher: "GM and non-GM supply chains: their CO-Existence and TRACEability (CO-EXTRA)" financed by EU FP6, 2005-2009.
19. Researcher: "Market and Trade Policies for Mediterranean Agriculture: the case of fruit/vegetable and olive oil (MEDFROL)" financed by EU FP6, 2004-2007.
20. Coordinator: "La industria agroalimentaria en Cataluña: localización, estructura financiera y estrategias empresariales de innovación y exportación" (The Agro-food Industry in Catalonia: location, financial structure and innovation and export strategies), financed by INIA, 2003-04.
21. Researcher: "Agricultural Sector in the Member States and EU: econometric modelling for projections and analysis of EU policies on agriculture, forestry and the environment", financed by UE FP5, 2001-04.
22. Coordinator: "Seguridad alimentaria, información y comportamiento del consumidor" (Food safety, information and consumer behaviour), financed by INIA, 2001-03.
23. Researcher: "Sustainable restoration and long-term management of contaminated rural, urban and industrial ecosystems" (FIKR-CT-2000-00018), financed by UE FP5, 2000-03.
24. Researcher: "Estudio sobre la estrategia de calidad integral en los productos alimenticios: el caso de la carne fresca de vacuno y ovino" (Analysis of quality strategies in food products: the case of lamb and beef), financed by the Ministry of Education, 2000-02.

25. Researcher: "Evaluation of the Common Market Organization of the sheep and goat sectors" financed by DG Agriculture, EU, 1999-2000.
26. Researcher: "Nutrition, health and the demand for food", financed by EU, FP5, 1998-2000.
27. Coordinator: "Un análisis integral de las posibilidades de desarrollo de los productos de la agricultura ecológica: potencial de mercado y estrategias de comercialización" (A supply chain analysis of organic food: market potential and marketing strategies), financed by INIA, 1998-2000.
28. Researcher: "La comercialización y consumo de productos ecológicos en el Valle Medio del Ebro. El caso de las frutas y hortalizas", (Marketing and consumption of organic food in the Ebro Valley: the fruits and vegetables case), financed by CONAI, Government of Aragon, 1997-1998.
29. Coordinator: "La influencia de la dieta en la demanda de alimentos de los países desarrollados", (Nutrient intake and the demand for food in developed countries), financed by INIA, 1996-1997.
30. Researcher: "Spatial Analysis of Vulnerable Ecosystems in Europe (SAVE): Spatial and dynamic prediction of radiocaesium fluxes into European foods", financed by the EU FP4, 1996-1998.
31. Coordinator: "Integración de mercados mayoristas de manzanas del MERCOSUR y Chile", (Spatial market integration of apple markets in MERCOSUR and Chile), financed by the University of Comahué (Argentina), 1996-98.
32. Coordinator: "Integración espacial de los mercados agrarios en la Unión Europea: ¿existe un mercado único?", (Spatial integration among European agricultural markets: do a single market exist?), financed by the Ministry of Education, 1995-1997.
33. Coordinator: "Relaciones dinámicas de los precios del trigo y de la cebada en Europa", (Dynamic relationships among wheat and barley prices in Europe) financed by the University of Zaragoza, 1994-1995.
34. Coordinator: "Situación actual y perspectivas futuras de la demanda de alimentos en Europa: ¿hacia una dieta europea?" (Current situation and future prospective of food demand in Spain), financed by INIA, 1994-1995.
35. Researcher: "La Agroindustria Aragonesa frente al reto del Mercado Único Europeo" (The Agro-food Industry in Aragon facing the Single European Market), financed by the Advisory Research Council (CONAI), Government of Aragon, 1992-1993.
36. Researcher: "Estructura Productiva y Política Comercial de la Industria Agroalimentaria en Navarra y Aragón", (Structural Organization and marketing Policy of the Agro-food Industry in Navarra and Aragon) financed by the Ministry of Education. 1991-1993.
37. Researcher: "Análisis económico de aspectos relevantes en el sector de los cereales" (Economic Analysis of the cereals sector), financed by National Institute of Agro-food Research and Technology (INIA). 1989-90.

4.2 Other projects and contracts

1. Coordinator of Market Analyses Reports for the Catalanian Observatory of Grapes, Wine and Sparkling Wine, financed by the Department of Agriculture (DAR), Generalitat of Catalonia, (2007 - nowadays) (38.000€/year)
2. Coordinator: “Propuesta metodològica para la cuantificación del desperdicio alimentario en el sector primario, la industria agroalimentària y el comercio mayorista en Cataluña” (Methodological approach to quantify food waste in agriculture, wholesaling and the food industry), financed by Agencia de Residuos de Cataluña (September 2015 – July 2016) (11.900€).
3. Researcher: “Análisis de la percepción del producto de la acuicultura como herramienta de valorización para el sector: el caso de Barcelona como centro de referencia en gastronomía y distribución” (VALORA) (Public perception of aquaculture among Barcelona consumers: proposal to generate value added), financed by Xarxa de Referència en Aqüicultura de Catalunya (July 2015 – February 2016) (9.640,60€)
4. Researcher: “Trabajo técnico de campo para la determinación del importe unitario de referencia para reestructurar y reconvertir las viñas en Cataluña” (Determination of reference unit values in vineyards’ restructuration), financed by Departamento de Agricultura, Alimentación y Acción Rural (DAR) de la Generalitat de Cataluña (October 2015 – January 2016) (12.000€/año).
5. Researcher: “Eleboración de Fichas sectoriales” (Agriculture sector reports), financed by Departamento de Agricultura, Alimentación y Medio Ambiente (DAAM) de la Generalitat de Cataluña (April 2014-December 2015) (35.000€).
6. Coordinator: “Impacto del escándalo de la carne de caballo sobre el consumo de carne en cataluña” (The impact of the horses meat fraud on meat consumption in Catalonia), financed by Departamento de Agricultura, Alimentación y Medio Ambiente (DAAM) de la Generalitat de Cataluña (July-December 2015 (15.000€)
7. Researcher: “Observatorio sobre la aplicación de normativas reguladoras de las relaciones comerciales en la cadena agroalimentaria en países europeos” (Observatory of supply chain regulations in the food sector in EU countries), financed by Agencia de Información y Control Alimentarios, Ministerio de Agricultura, Alimentación y Medioambiente. (January-December 2015) (17.950€)
8. Researcher: “Estudio económico del sector arrocerero y evaluación de la implantación de buenas prácticas” (The impact of the implementation of good practices on rice farmers), financed by Institut de Recerca i Tecnologia Agroalimentaries (IRTA), (January 2014 – July 2014) (6.070,74€).
9. Researcher: “Organigramas y esquemas de remuneraciones en el sector de la obtención vegetal en España. Análisis aplicado a las áreas de I+D y

- ventas” (Analysis of Human Resource Organization in R+D and marketing departments in seed companies in Spain), financed by Asociación Nacional de Obtentores Vegetales (ANOVE), (February 2014 – July 2014) (7.500€)
10. Coordinator: “Análisis del Código de Buenas Prácticas comerciales a lo largo de la cadena alimentaria en Cataluña (Analysis of the functioning of the Code of Good Practices in Catalonia”, financed by the Department of Agriculture (Catalonian Government) (DAAM) (October-December 2013) (12.000€)
 11. Coordinator: “Observatorio de Vacuno de Leche y Carne en Cataluña (Economic Analysis for the Observatory of Milk and Beef), financed by the Department of Agriculture (Catalonian Government) (DAAM) (January-December 2013) (33.500€)
 12. Coordinator: “Potencial de una Marca Genérica para los productos de la acuicultura catalana (Market Potential for a Generic Brand to label aquiculture products in Catalonia”, financed by the Catalanian Institute for Agricultural and Food Research and Technology (IRTA) and ACCIÓ, (February 2012 – December 2013) (4.000€).
 13. Coordinator: “Elaboración de los DAFOS para las áreas prioritarias 2 y 3 del Plan de Desarrollo Regional de Cataluña 2014-20 (A SWAT analysis for Priority Areas 2 and 3 to design the Regional development Plan for Catalonia 2014-20)”, Department of Agriculture (Catalonian Government) (DAAM), (May-June 2013) (7.500€)
 14. Coordinator: “Diseño de una Cobertura de Rentas en el Sector de Frutales (Design of an income insurance for fruit farmers in Spain” financed by AGROSEGUROS, September 2011 - March 2013 (40.000€).
 15. Coordinator: “Market potential for a new bacteriophage to control the prevalence of salmonella in poultry and pigs)”, financed by the Autonomous University of Barcelona, (May 2011 – February 2013) (8.000€).
 16. Coordinator: “Estudio de viabilidad sobre un fondo de estabilización de precios en Níger, Mali y Burkina” (Feasibility of a Price stabilization mechanism in Niger, Mali and Burkina), financed by Intermon-Oxfan (June-November 2012) (3.000€)
 17. Researcher: “Sistematización de la Componente Irrigación en Mauritania” (Assessment of Irrigation projects in Mauritania), financed by Intermon-Oxfan (March-April) 2012) (12.000€)
 18. Coordinator: “Valoración cualitativa de la percepción del jamón ibérico por parte de los consumidores de reino Unido y Francia”, financed by the Consulting firm AGR! (September – October 2012) (14.400€).
 19. Coordinator: “Estudio del Posicionamiento de los Productos acuícolas catalanes por parte del consumidor en Cataluña” (Consumer perception of catalonian fish farming), financed by the Institut de Recerca i Tecnologia Agroalimentaries (IRTA), (February – November 2011) (9.500€).

20. Coordinator: “Diseño de una Cobertura de Rentas en el Sector de Frutales” (Design of a revenue insurance for fruit farmers) financed by AGROSEGUROS, September 2011 - June 2012 (40.000€).
21. Coordinator: “Valorización Nutricional y de Mercado de los subproductos derivados de la fruta dulce catalana y de los cítricos del Levante para la alimentación porcina” (Potential use of fruits and citrics byproducts in the pig feed), financed by the Catalanian Association for Innovation in the Pork Sector (INNOVAC), July 2011 – March 2012 (6.000€)
22. Coordinator: “Estudio de mercado de una bacteriófago para controlar la presencia de salmonella en aves y cerdos” (Marker Reseach for a new bacteriophage to control salmonella in the poultry and hog sectors), financed by the Autonomous University of Barcelona, May 2011 – June 2012 (8.000€).
23. Coordinator: “Estudio del Posicionamiento de los Productos acuícolas catalanes por parte del consumidor en Cataluña” (Consumer attitudes and purchasing intentions towards Catalanian aquaculture), financed by the Institute for Research and Technology in Food and Agriculture (IRTA), (February – November 2011) (9.500€).
24. Coordinator: “Diseño de una Cobertura de Rentas en el Sector de Frutales” (Designing an Income insurance in the fruit sector) financed by AGROSEGUROS, September 2011 - June 2012 (40.000€)
25. Coordinator: “Análisis del sector de semillas y plantones ecológicos en Cataluña” (Analysis of the organic seed market in Catalonia), financed by the Department of Agriculture (DAAM), Generalitat of Catalonia, July-December 2011) (11.000€)
26. Coordinator: “Análisis del Consumidor de Vino en Cataluña” (The wine consumer in Catalonia), financed by the Department of Agriculture (DAR), Generalitat of Catalonia, April – November 2010 (16.000€).
27. Coordinator: “Elaboración del informe Anual de la Industria Agroalimentaria, 2010” (2010 report of the food industry in Catalonia) financed by PORTA 22, Barcelona Town Hall (May-September, 2010) (2.000€)
28. Coordinator: “Análisis del sector de cereales ecológicos para consumo humano en Cataluña”, (Analysis of the organic cereals for human consumption supply chains), financed by the Department of Agriculture (DAR), Generalitat of Catalonia, (June-December 2010) (8.000€)
29. Coordinator: “Análisis de las prácticas de fertilización en Cataluña en 2010” (Fertilization practices in Catalonia in 2010), financed by the Department of Agriculture (DAR), Generalitat of Catalonia, 2010 (20.000€)
30. Coordinator: Observatorio de la Agricultura Ecológica en Cataluña (Observatory of the Catalanian organic food sector), financed by the Department of Agriculture (DAR), Generalitat of Catalonia, 2010 (8.000€)
31. Coordinator: “Análisis del sector de aceite de oliva y frutos secos ecológicos en Cataluña” (Analysis of the organic olive oil and dried fruits supply chains), financed by the Department of Agriculture (DAR),

- Generalitat of Catalonia, (October 2009 – June 2010) (26.000€)
32. Coordinator: “Propuesta para el diseño de coberturas en un seguro agrario de ingresos en frutales” (Designing a revenues insurance in the fruit sector), financed by AGROSEGUROS, January-December 2010 (43.000€)
 33. Coordinator: “Análisis comparativo de la viabilidad económica de explotaciones de olivar intensivo y super-intensivo” (Comparative analysis of profitability in intensive and super-intensive olive farms), financed by the Institute for Research and Technology in Food and Agriculture (IRTA) January 2009 - December 2009 (6.000€).
 34. Coordinator: “Análisis de las prácticas de fertilización en Cataluña en 2009” (Fertilization practices in Catalonia), financed by the Department of Agriculture (DAR), Generalitat of Catalonia, September 2009 – February 2010 (27.000€).
 35. Co-coordinator (with Lluç Mercadé, CREDA) “Creación de un instrumento de asesoramiento y benchmarking en la gestión empresarial para las explotaciones agroalimentarias” (Designing a benchmarking tool at the farm level), financed by the Department of Agriculture (DAR), Generalitat of Catalonia, (September 2008 – December 2009) (19.500€)
 36. Coordinator: “Análisis del nivel de aseguramiento en el sector hortícola catalán” (Analysis of the level of assurance in the Catalonian horticultural sector), financed by the Department of Agriculture (DAR), Generalitat of Catalonia, September 2008 - December, 2009 (15.500€)
 37. Coordinator: “Long distance transport and animal welfare”, financed by The World Society for the Protection of Animals (WSPA), (January – June 2009) (5.500€).
 38. Coordinator: “Posicionamiento de los vinos catalanes en el canal HORECA (zonas de costa)” (Positioning of Catalonian wines in the Food Service at the coastal area), financed by the Department of Agriculture (DAR), Generalitat of Catalonia, September 2008 - April, 2009 (19.000€)
 39. Coordinator: “Impacto de la campaña navideña de publicidad de vino y cava en Cataluña” (Impact at the consumer level of the Christmas promotion campaign of Catalonian wines), financed by the Department of Agriculture (DAR), Generalitat of Catalonia, October 2007 – April 2008 (23.000€).
 40. Coordinator: “Informe sobre el Sector Agroalimentario en Cataluña” (Report on the Agrofood Sector in Catalonia), financed by PORTA 22, Barcelona Town Hall (April 2007- July 2008) (6.000€)
 41. Coordinator: “Posicionamiento de los vinos catalanes en el canal HORECA” (Positioning of Catalonian wine in the Food Service sector), financed by the Department of Agriculture (DAR), Generalitat of Catalonia, September-December, 2007 (13.000€)

42. Coordinator: "Estudio de la cadena de producción y distribución del vino y del cava en Cataluña" (Analysis of the wine supply chain in Catalonia), financed by the Department of Agriculture (DAR), Generalitat of Catalonia, 2005.
43. Coordinator: "Viabilidad del sector hortofrutícola en la Comarca del Baix Llobregat" (Viability of the horticultural sector in the Baix Llobregat county), financed by the Agricultural Parc, Government of Barcelona Province, 2003-2004.
44. Researcher: "Estudio técnico-económico de la producción porcina en Aragón" (Technical-economic analysis of the pork sector in Aragón) financed by the Department of Agriculture, Government of Aragón, 2002-03.
45. Researcher: "Evolución y cambios socioeconómicos del sector ovino-caprino en España durante la última década" (Evolution and socioeconomic changes in the Spanish lamb sector during the last decade), financed by the Ministry of Agriculture (MARM), 2001-02.
46. Researcher: "Incidencia de las variaciones de los precios agrarios en el índice de precios al consumo", (The effect of changes in farm prices on food retail prices) financed by the Ministry of Agriculture (MARM), 1992-93.

5. Publications: Books and Book Chapters
